To Whom It May Concern,

On April 19, 2021, our company experienced a fire at our restaurant. We then hired Alex N Sill Company to assist us with the insurance claim process. We could not have asked for a better group of individuals Jason, Tom, Jerry and Don to guide us through this process. They took a very stressful and inconvenient situation and made it much more bearable. The service we received was extremely prompt, professional, and accommodating. They worked very diligently on making sure that all basis of the claim were covered and that they recovered as much as they could of our loss. We were never left wondering where we stood on our claim and were always well informed. We would most certainly recommend Alex N Sill Company to anyone who suffers a loss.

Sine rely,

John Kouvas
